

Student Transportation Announces Renewal of Normal Course Issuer Bid

BARRIE, Ontario, Oct. 21, 2015 (GLOBE NEWSWIRE) -- [Student Transportation Inc.](#) ("**STI**") (TSX:STB) (NASDAQ:STB) announced today that the Toronto Stock Exchange (the "**Exchange**") has approved its notice of intention to renew its normal course issuer bid for a portion of its common shares ("**Common Shares**") as appropriate opportunities arise from time to time. STI's normal course issuer bid will be made in accordance with the requirements of the Exchange. STI may begin to purchase Common Shares on or about October 26, 2015. The normal course issuer bid will expire on October 26, 2016.

Pursuant to the notice, STI is permitted to acquire up to a maximum number of Common Shares equal to 8,403,185 Common Shares, being 10% of the public float as of October 14, 2015. Potential purchases will be made by STI through the facilities of the Toronto Stock Exchange and the NASDAQ Stock Market and in accordance with applicable regulatory requirements. The price which STI will pay for any Common Share will be the market price of such Common Share at the time of acquisition. Pursuant to the Toronto Stock Exchange rules, the maximum number of Common Shares that may be repurchased during the same trading day is 56,889 Common Shares, subject to STI's ability to make one block purchase per calendar week which exceeds such limit. The Common Shares will be cancelled upon their purchase by STI. STI will fund the purchases either through borrowings on its senior debt facility or out of available cash. STI believes that the purchase by STI of a portion of outstanding Common Shares is an appropriate use of senior borrowing capacity and/or available cash and is in the best interests of STI and its security holders.

"A few months ago in August we amended the normal course issuer bid that is set to expire on October 23, 2015 to increase the amount of common shares that can be repurchased. This renewal now extends that period through October 26, 2016," said Denis Gallagher, CEO.

In the past 12 months, STI purchased 301,482 Common Shares for cancellation pursuant to its existing normal course issuer bid that expires on October 23, 2015.

The notice of intention provides that no appraisal or valuation regarding STI, its material assets or securities, has been prepared within the two years preceding the date of the notice.
